Dear Community Member:

Seattle Parks and Recreation is establishing the Magnuson Park Advisory Committee to ensure broad citizen participation in current and future planning for Magnuson Park and the Sand Point Historic District. The department is seeking the names of citizens interested in serving on the committee. Attached are the operating procedures of the committee describing member composition, including duties and responsibilities of committee members.

Your organization is invited to nominate an individual to serve on the committee. Attached is a nomination form to be completed and submitted by December 21, 2009. The Parks Superintendent will approve appointments in early January.

If you have additional questions regarding the Magnuson Park Advisory Committee, please contact me at rebecca.salinas@seattle.gov or by phone, 684-7279.

Sincerely,
