PARKS SUPERINTENDENT TIM GALLAGHER TO MEET NEIGHBORS AT LAKE CITY COMMUNITY CENTER

Seattle Parks and Recreation invites the community to spend the evening of Wednesday, April 7 with Superintendent Tim Gallagher at the Lake City Community Center, 12531 28th Ave. NE.

The purpose of the meeting, scheduled from 6:30 to 8 p.m., is to give the community an opportunity to talk with Gallagher and other Parks staff about how well Parks is meeting the needs of the community.

Neighbors will have the opportunity to meet the staff who serve the neighborhood; have personal conversations with staff about what is working and what can be improved; and to talk with the Superintendent about ideas for building community relationships and Parks programs and services that respond best to the needs of Lake City residents.
