**A special presentation & workshop will be held on
“Cancer Prevention”**

Have You

- Checked Your Cholesterol?
- Checked your blood pressure lately?
- Checked your blood sugar lately?
- Checked your dental health lately?

Do you

- Want to learn more about lifestyle changes and effects on your health?
- Want to know how to prevent dental health problems?
- Know you can control blood pressure or blood sugar with lifestyle change?
- Know that choices you make can affect your health?

If you want to know about this and more, please join us for the 4th Annual Eritrean Health Fair to be held on May 7th 2011.

Location: 12327 15th Ave NE Seattle WA 98125. For more information, please contact us at (425) 503-5208.

Organized by: HOPE - Eritrean Social Services.

This project is funded in part by NMF award of the Seattle Department of Neighborhoods, National Medical Library, Eritrean Orthodox Church, and contribution from the Public Health Reserve Corps, Safeway and Starbucks.
