

BIKE WORKS

in LAKE CITY

Bike Works is offering a two-part program for adults and accompanied youth at the Lake City Community Center on **Sunday, June 3rd.**

Sign up for the first class, drop-in for the second, or take advantage of both!

Squeaky Brakes Class

Lake City Community Center, 10:00am - 12:00pm

The squeaky brakes is hands-on. Students bring their bikes, wrench-along with the instructor's demonstration of fixing a flat and cleaning their bike, take a close look at their entire bike and get a sense of how the bike works, possibly what it needs.

This class requires pre-registration; please contact davey@bikeworks.org
Cost: FREE

BYOBike Drop - in

Lake City Community Center, 12:00pm - 2:00pm

Want to try tuning up your own ride with the supportive advice and guidance of Bike Works instructors? Anybody with a bike is welcome to drop-in and give it a try.

No registration required.
